Dear Judge Legg:

We write to provide the status report required by the Court's Scheduling Order.

Discovery was completed Monday, March 29, 2004, with the exception of the provision of medical records concerning Plaintiff's visit to a physician on 2/26, which have been requested but not yet received; it is anticipated they will be provided by April 15, 2004.

There are no motions pending.

c. Whether any party intends to file a dispositive pretrial motion

It is Defendant's intention to file a dispositive pre-trial motion.

d. Whether the case is to be tried jury or non-jury and the anticipated length of trial

The case is to be tried to a jury. It is anticipated it will take two (2) to four (4) days to complete.

The parties through counsel discussed settlement following Plaintiff's deposition in the office of Defense counsel Monday, March 29, 2004. That discussion did not lead to settlement; however, the parties continue to discuss settlement through their attorneys, by telephone, and will inform the Court promptly if a settlement is reached.

f. Whether each party believes it would be helpful to refer this case to another judge of this court for a settlement or other ADR conference, either before or after the resolution of any dispositive pretrial motion.

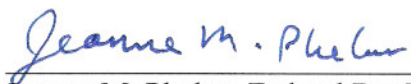

The parties do not at this time request a settlement conference.

g. Whether all parties consent, pursuant to 28 U.S.C. § 636(c), to have a U.S. Magistrate Judge conduct any further proceedings in this case, wither before or after the resolution of any dispositive pretrial motion, including trial (jury or non-jury) and entry of final judgment

The parties do not wish the case refer to a Magistrate for any purpose at this time.

h. Any other matter to which you believe should be brought to the court's attention

There are no other matters to be brought to the court's attention at this time.
